KG block for Dunkura R/C Primary

From Ernest Best Anane

MADAMFO GHANA EV, a Germany-based non-governmental organisation, has funded the construction of a two unit classroom block for the kindergarten of the Roman Catholic Primary School at Dunkura in the Bosome-Freho District of the Ashanti Region.

The block, comprising two classrooms, office and a store, with a set of furniture, was provided at the cost of GH¢30,000.

Ms. Bettina Langrafe, Chief Executive Officer (CEO) of Madamfo Ghana EV, and the Nkosuohemaa of Apawu in the Bosome-Freho District, urged parents and guardians to give priority in their children's education by investing in them to secure their future.

Speaking at the inauguration ceremony of the Kindergarten block, Ms. Langrafe said it was part of her social responsibility to help raise the living standards of the people, especially, in the rural communities, in the areas of education and health.

She noted that the facility would serve as a relief for the children in the area who have been learning under trees for a long time now.

The CEO commended the Member of Parliament (MP) for the area, Edward Ofori-Kuragu, for his assistance in the realisation of her dream, by providing roofing sheets for the project. Meanwhile, MP Ofori-Kuragu, who presided over the inauguration of the project, expressed his profound gratitude to the organisation for making life more comfortable for his constituents in the education and health sectors.

He further advised teachers in the school to take their profession very serious, and ensure effective teaching and learning to mould the lives of the children to become good citizens and future leaders.

Mr. Alexander Atta-Asante, District Director of Education, commended the NGO for the efforts at raising the standard of education in the district, and assured it of his commitment and readiness to support every initiative by Madamfo Ghana in the district.

The Education Director also gave the assurance that the facility would be maintained to serve the purpose for which it was donated.
