COLLABORATION IN KAYAYO PROJECT

Madamfo Ghana, a non-governmental organization, has established her office in Kumasi and has already begun working on some projects for kayayo in the metropolis.

With respect to their programmes package, they have cited your establishment as one of those they shall have to collaborate with for the implementation of their programmes during their period of operation in Ashanti Region.

I am by this letter introducing them to you as they carry on with their activities.

Your cooperation is needed.
